

Piranha Trauma Shears Small (5.50")

CE  TM-705

NSN: 6515-01-538-9276

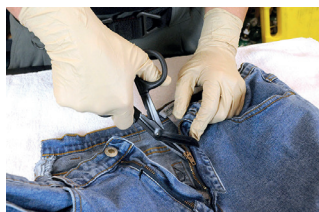

Vol. 30 per case, Total Weight: 1.4kg/3lbs

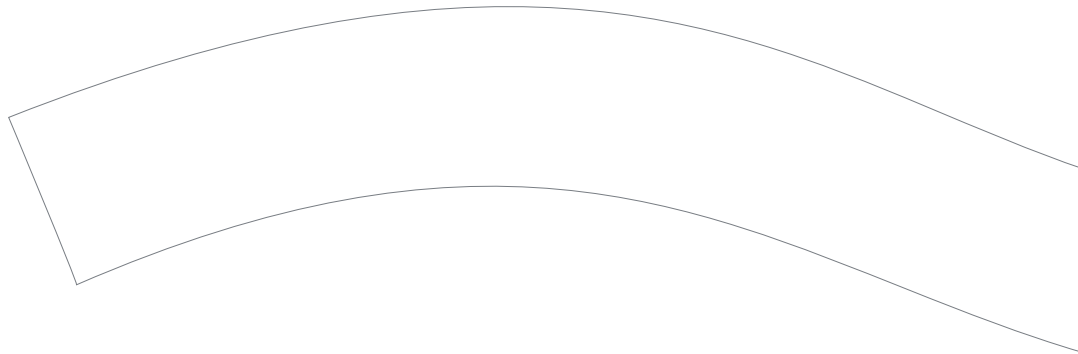

TyTek Medical's 5 1/2" Piranha Trauma Shears are the very best tactical shears available anywhere. These tactical shears were engineered to meet and exceed the military's stringent standards. Our trauma shears will cut through the toughest materials - web gear, denim, leather, boots, heavy winter clothing and all the metal components that come with them.

More importantly, TyTek Medical's tactical trauma shears are versatile - they easily cut the softest materials like gauze, which is where traditional trauma shears fail. Totally unique to TyTek Medical, is the ergonomic comfort grip handle with an inlaid rubber grip. It provides maximum comfort and control in high stress pre-hospital emergency care scenarios.

Details:

- Premium-grade, durable stainless steel tactical shears blades for precision sharpness
- Reinforced, serrated edge for maximum cutting ability through the toughest materials
- Clothing-lift lip and rounded tip for patient safety
- Ergonomic inlaid rubber grip and contoured handles for maximum comfort and control
